

This list of collaboration partners includes the Founding Supporters of the WNU, those who have signed collaboration agreements, and those with whom we have jointly organised events. In addition to this list, WNU collaborates with many industrial and educational partners, who send lecturers, invited leaders, and students to our programmes and support the WNU by other means.

Aalto University School of Engineering  
ABDAN  
African Young Generation in Nuclear (AYGN)  
Agency for the Development of Nuclear Energy (UZAAtom)  
Australian Nuclear Science and Technology Organisation  
Badan Tenaga Nuklir Nasional (BATAN)  
Bhabha Atomic Research Centre (BARC)  
Canadian Nuclear Safety Commission  
China Nuclear Energy Industry Corporation  
Comisión Nacional de Energía Atómica (CNEA)  
Comissao Nacional de Energia Nuclear (CNEN)  
Czech Technical University  
DIAMO  
Electronuclear  
ENEC Emirates Nuclear Energy Cooperation  
ENEN  
Hamad Medical Corporation  
Helsinki University of Technology (TKK)  
IAEA  
Idaho National Laboratory  
Institut National de Sciences et Techniques Nucleaires (INSTN)  
Institute Nuclear and Energy Technology / Tsinghua University  
Instituto Balsero  
International Youth Nuclear Congress (IYNC)  
Japan Atomic Industrial Forum (JAIF)  
Japan Nuclear Human Resource Development Network  
Jordan Atomic Energy Commission (JAEC)  
Kazakhstan Nuclear University LLP  
Kazatomprom  
Korea Atomic Energy Research Institute (KAERI)  
Korea Hydro and Nuclear Power (KHNP)  
Korea Nuclear Energy Promotion Agency (KONEPA)  
Korea Nuclear International Cooperation Foundation (KONICOF)  
Latin American Network for Education in Nuclear Technology (LANENT)  
Malaysia Radiation Protection Association  
National Research Centre Kurchatov Institute  
National Research Nuclear University (NRNU)  
MEPhI

National University of Mongolia  
Network of Competence in Nuclear Technology  
Nuclear Academics Industrial Liaison Seminar  
Nuclear and Energy Research Institute  
Nuclear Industry Association of South Africa (NIASA)  
Nuclearelectica  
Nuklear Malaysia  
Nutek  
Oak Ridge National Laboratory  
OECD-NEA  
Oregon State University / Westin Nuclear Science Alliance  
Polytechnical University of Madrid  
Qatar University  
Rosatom International Network  
Rosatom Technical Academy  
SCK.CEN (Formerly Belgian Nuclear Higher Education Network)  
South African Nuclear Energy Corporation  
Swedish Centre for Nuclear Technology  
Swiss Federal Nuclear Safety Inspectorate  
Swissnuclear  
Technical University of Sofia  
Technische Universitat Wien / Atomic Institute of the Austrian Universities  
Texas A&M University / Leader of Southwest Consortium  
The Regional Network for Education and Training in Nuclear Technology (Star-NET )  
Tokyo Institute of Technology  
Universidad Nacional Autónoma de México (UNAM)  
University Network of Excellence in Nuclear Engineering  
University of Hacettepe  
University of Lappeenranta  
University of Manchester / Dalton Institute  
University of Ottawa  
University of Oxford / Christ Church College  
University of Pavia  
University of Pisa - Cirten Consortium  
University of Potchefstroom  
University of Sofia  
University of Tokyo  
Uppsala University  
World Council on Isotopes (WCI)  
World Nuclear Association
